### **38. DEVELOPMENT PROGRAMMES FOR NON-TEACHING STAFF :**

Non-teaching staff is an integral organ of every educational institution. To enable them to update their knowledge to build up their competencies opportunities are given to them to attend seminars, work shops, conducted by different departments.

### **39. HEALTHY PRACTICES OF THE INSTITUTION:**

Education is an important discipline which contributes to individual evolution and national progress. In a growing democracy which aspires for stability and vigour, Education is as much a social necessity as it is a moral responsibility. Sound education which is practical and purposeful, can alone equip individuals with the necessary mental resources and moral stamina to shoulder their responsibilities properly.

Our institution follows some unique healthy practices which are highlighted as under

1. Priority to weaker sections of the society at the time of admission irrespective of percentage of marks secured by them in the previous examinations. The management is kind enough to bear the entire fees of the students who are meritorious and economically poor. The college awards poverty cum progress scholarship to two students of each class every year.

#### **2. ORGANISING THE FOUNDER'S DAY CELEBRATION :**

To cherish the mission of the founder the birth anniversary of Brahma Shree Narayana Guru – a great visionary and social reformer is celebrated in association with the management in the college premises, every year. On this occasion various competitions are conducted on the philosophy of Brahma Shree Narayana Guru.

#### **3. FREE MEDICAL SERVICE:**

Our Management conducts free medical camp every Sunday for the benefits of poor patients of the locality.

#### **4. GOOD CONDUCT PRIZES:**

The right type of education should help the individual to grow to his fullest stature and at the same time accelerate the progress of society. To motivate our

students to development good character and discipline, good conduct scholarships are awarded to a boy and a girl student of each class every year.

#### **5. DEPARTMENTAL LIBRARY:**

Books constitute an accredited instrument of education. They are the treasure of knowledge. Each department has a well equipped library. Students are encouraged to borrow books whenever they need.

#### **FACILITIES PROVIDED TO THE PUBLIC:**

Service to the mankind should be the goal of every individual as well as institution. Based on this principle , the college gymnasium is open to the general public before and after the college hours. The college auditorium is used by Trisha Coaching Centre, Gaana Nrithya Vidhya Peetha (Dance class), Yoga classes conducted by Spiritual organizations, class rooms are made available for University Valuation and for holding Common Entrance Test. every year. Our Management distributes free note books to deserving and poor students studying in Primary, Secondary and higher level. Accommodation facilities are given in the college to artists coming from different states on the occasion of “Mangalore Dasara Procession”

#### **7. INSTITUTION OF A FUND IN MEMORY OF THE FOUNDER CORRESPONDENT OF THE COLLEGE :**

In memory of the late founder Correspondent Sri M.Ananda, who has rendered selfless service to the growth of our institution a fund has been instituted to give Scholarship to the deserving students.

#### **8. DONATION TOWARDS THE GOKARNANATHA TEMPLE FOR PROVIDING A FREE FOOD TO THE DEVOTEES:**

Every year on the occasion of Dasara and Shivarathri festivals the College staff and Management members contribute their mite to support the noble cause of providing free food to devotees. Our students render their valuable services as volunteers on both occasions.

#### **9. INNOVATIVE TEACHING TECHNIQUES, SEMINARS GUEST LECTURES:**

Innovation in every field is indispensable. If education has to be realistic it has to anticipate intelligently the progressive needs of the future in the light of the cumulative experience of the past and the constructive wisdom of the present. In the light of this innovation teaching methods such as group discussion, use of LCD, Project work, survey work, historical and industrial visit presentation of seminar papers, etc. are adopted. These techniques definitely quicken the interest of students and make instructions lively. In the hands of a resourceful teacher, these techniques are effective tools to be pressed into service judiciously.

#### **10. HONOUR AND FELICITATION:**

Every year the institution felicitates the outstanding sports persons for their accomplishment in State and National level competitions.

#### **11. STUDENT GRIEVANCE REDRESSAL CELL**

It is functioning in the college under the supervision of a senior faculty member to give justice to student fraternity. Students are free to express their suggestions, complaints by dropping letters to the grievance box which will be looked in to by principal every month.

#### **12. PUBLICATION OF MONTHLY MAGAZINE “GRAHAPATHRIKE” :**

The Management of our college publishes this magazine which is now considered as an effective print media. It highlights the various types of social evils in our society and remedial measures. The achievements of our college are given wide publicity through the magazine. The staff members subscribe to this magazine and contribute their articles, essays, poems and stories.

#### **13. BOOK BANK SCHEME:**

Students are issued books under this scheme in the beginning of the year which they can retain with them till the end of the academic year. Books are issued to students during the examination time also under “Security Deposit Scheme”.

#### **14. PUBLICATION OF ANNUAL MAGAZINE:**

“CHETHANA” Annual Magazine is like a mirror of every institution. Every year “our annual magazine” Chethana is published. It acts as an instrument through which the hidden talents like writing skill, artistic attitude, and achievements of the college in various fields get real shape.

**15.CANTEEN FACILITY:**

To fulfill the basic requirements of our students and staff members tasty and hygienic food items are made available at reasonable prices.

**40.LINKAGES DEVELOPED WITH NATIONAL, INTER-NATIONAL ACADEMIC RESEARCH BODIES**

Our college has not established any link with the above stated academic bodies.

**41. ANY OTHER RELEVANT INFORMATION THAT THE INSTITUTION WISHES TO ADD:**

Since its inception our institution has been rendering yeomen services by imparting quality education to the weaker and deprived sections of the society. Our college is specially catering to the needs of first generation learners to uphold the principle of our patron” Brahmashree Narayana Guru”.

Our Management and well wisher strongly believe that “Education is not mere information but the formation of the mind”. They give all types of support encouragement in smooth functioning of our institution.

Since Education is a perennial process and has to draw sustenance from a variety of factors, several agencies have to work in ‘unison, each one offering the very best of its distinctive contribution. Only then can Education become a radiant instrument for the attainment of human excellence. Our institution is striving hard in this direction.

Our institution has been set up to impart quality education to the young coming from socially and economically backward families. It has a great responsibility cast upon it. It has not only to inform the mind of the young but also to form their character by providing a congenial atmosphere for the harmonious development of the body, mind and spirit which is a distinctive element of excellence and thereby transforming the young as responsible future citizens of this great nation’

### **PART C:**

In a world buffeted by change and confronted by new challenges the way to conserve is by innovating. Commitment to innovation and renewal means a readiness on the part of educators to respond to the call of path breaking ideas and the compulsive demands of the community. It means willingness on the part of Management, teachers and educational administrators to perform major surgery on curriculum, to chop-off dead wood and to develop new content and materials to cope with the needs of the young in a world of change.

Keeping in mind the above ideas the following activities have been proposed.

- 1) It is proposed to organize a National Seminar in the college.
- 2) It is proposed to give computer training to non-teaching staff.
- 3) It is proposed to undertake computerization of library.
- 4) The centenary celebration of our Sangha-Shree Venkatesha Shiva Bhakthi Yoga Sangha will be organized during the year 2010-11.
