PROSPECTUS

Shree Gokarnanatheshwara Degree College

About the College

It was an era, when higher education was considered as the privilege of a few in the society, many young aspirants for higher education, with poor upbringing knocking at the doors of many institutions in Mangalore, had to return empty handed unable to get a seat to pursue their studies. Naturally they had to discontinue their education with a lot of frustration. At that time, a far-sighted leader Sri B. Janardhana Poojary, Ex-Minister of State for Finance, Government of India, expressed his concern before the members of Shree Venkatesha Shiva Bhakthi Yoga Sangha that, there is no substitute to education to bring an individual from the lower rung to the position of strength and confidence. Therefore, to infuse strength and confidence in the under-privileged, neglected and not so meritorious sections of the society, Shree Gokarnanatheshwara College was established in the year 1981-82

The Scholastic achievements of the students stand out as a testimony to the concerted endeavour, which is put in by three different levels, i.e. teachers, support staff and enlightened management. Shree Gokarnanatheshwara College has grown in its own unique style and has been shaping the destiny of thousands of students with good head and heart, composed with competence and excellence.

Aims & Objectives of the Institutions:

The College aims not merely at providing sound liberal education, but producing useful, intelligent, patriotic, emotionally integrated, morally strong, scientifically tempered and healthy young men and women, under the management of Shree Venkatesha Shiva Bhakthi Yoga Sangha®.

Our Mission

To ensure and enhance the quality of young buds through education of quality and relevance to less privileged in particular irrespective of caste, creed or sex and act as trustees of future citizens of this great nation.

Courses of Study:

The College offers the following courses leading to the award of Bachelor's Degree in Arts and Commerce by the Mangalore University.

Choice Based Credit System

As per the directions of University Grants Commission, Mangalore University has introduced the Choice Based Credit System (CBCS, Semester Scheme) in its undergraduate programme to be on par with the global standards. Under this scheme, each course in a programme shall carry certain number of credits, which normally represent the weightage of a course and are a function of teaching, learning and evaluation strategies such as number of contact hours, the course content, teaching methodology, learning expectations, etc. In the proposed programmes, in general, 2 hours of instructions per week in a semester is assigned one credit. In terms of evaluation, one credit is equivalent to 50 marks in a semester. On these basis, a three year degree programme will have a maximum of 100 - 104 credits. Each programme of study will have "Core courses", "Electives" (of Group II & Group III), "Foundation" courses and "Extra and co-curricular activities". The Core courses will consist compulsory/optional courses which are compulsorily studied by a student in all six semesters whereas Elective and Foundation courses are opted in I to IV Semesters.
