

INSTITUTIONAL DISTINCTIVENESS

Shree Gokarnanatheshwara College was established by Shree Venkatesha Shiva Bhakthi Yoga Sangha in 1982. The college was founded by Shri. Janardhana Poojary (ex-finance minister for state. Govt of India). The college was started with the intention to promote quality education for the under privileged students who found difficult to pursue education with higher fees. Under the guidance of Shri. Janardhan Poojary this college paved way for providing quality education to the under privileged.

The college adheres to the teaching of Braham Shree Narayana Guru who propagated equality and brotherhood. It was he who said "EDUCATE TO BE FREE-ORGANISE TO BE STRONG". The institution keeping in tune with the teachings of Brahma Shree Narayana Guru has taken up the task of educating the needy and building a sound society.

The college stands apart on line with distinctiveness:

DIMENSION 1

EDUCATION TO THE NEEDY.

1.To provide education to the underprivileged: The aim of establishing the college was to cater the educational needs of the under privileged socio-economic distressed society. The fees are nominal so that the students can receive quality education at affordable cost.

2.To provide education to the intellectually weaker section of the society, not only the people of the weaker socio-economic sections are given education the college also gives education to the intellectually weaker section of students and have transformed such students to greater academic and intellectual heights who have contributed to the growth of the society.

DIMENSION 2

FINANCIAL ASSISTANCE TO THE NEEDY

1. Women students are encouraged to take up education by means of reduced fee structure compared to the boys. The women students pay formidably less fees than the boys. This has created the atmosphere for women students to take up education at large.

2. To provide scholarships to the deserving students. The alumni association annually provides scholarships to the deserving students who excel not only in education and extra-curricular activities but also gives scholarships to the economically weaker students to pursue education.

3. The college gives instalment facility for the payment of fees to the students so that the burden of paying the fees is eased.

4. Students from all socio-economic backgrounds are given opportunity to study in our institute.

DIMENSION 3

ALL ROUND DEVELOPMENT

1.Students are given equal opportunity to excel by being part of various associations/cells/ sports/NCC/NSS. The college caters to the overall development of the student's personality through various activities conducted in the college.

2.Women empowerment: Women are given primary importance in all the spheres of the educational set up. The women are given major responsibility in college activities. The post of joint secretary is reserved for the women student. The student's council are also headed by elected women members. An established women cell paves way to cater the development of women students through its activities.

- 3.Sports and cultural activities organized by the college gives an opportunity for the students to showcase their talents and develop their personality.
- 4.Soft skill training programs help students to improve on their professional need of facing interviews and find jobs in the appropriate job set ups.
- 5.Various inter class competitions are conducted for the personality development of students.
- 6.Encouragement to sports persons to attain higher levels of success.

DIMENSION 4

HETEROGENEITY

- 1.The college has given opportunity for education for students from across the states. It has been inclusive in providing education for all.

DIMENSION 5

SOCIAL DEVELOPMENTAL ASPECT

1.The NCC and the NSS unit of the college has given students to make significant contribution to the society through Out reach program activities which has shown the students the path for service before self. The students have an opportunity to contribute to societal needs and better understand the needs of people through their outreach programs.

DIMENSION 6.

HEALTH FOR ALL.

1.The institution always has catered to the health needs of the students as well as parents during the annual PTA meet. Mana Shanthi counselling session is conducted for the students annually with the help from professional counsellors.

DIMENSION 7.

ALUMINI AND ALUMINI OUTREACH

1.The college has a vibrant alumina force. The alumnus of the college has decorated position in the society today. Well known politicians, doctors, chartered accountants, film directors, stage artist and well known renowned national and international sports persons are part of our proud alumni association. The alumni association has a best outreach on providing the needy students with financial assistance to the deserving students. The alumni also provide assistance for FDPs and helps financially to conduct events in college.

DIMENSION 8.

SUPPORTIVE PARENT TEACHERS' ASSOCIATION.

The parent teachers association has a very strong bonding with the college who have always guided for the betterment of the college. The PTA always helps the college for any projects related to college betterment. Financial help is often given to college in matters related to student development programs and financial aid to students when required.
