## About College:

The College is governed and managed by – Shree Venkatesha Shiva Bhakthi Yoga Sangha R. The governing body believes in transforming the downtrodden section of the society into strong and self-reliant citizens through the bond of unity and the universal message of **Brahma Shree Narayana Guru - 'Educate to be Free, Organise to be Strong'**.

Therefore, to infuse strength and confidence in the underprivileged, neglected, and weaker sections of society, the establishment of an educational institution is the only way out. Accordingly, Shree Gokarnanatheshwara College saw the light of the day in the year 1982 and has dedicated itself since then, for the cause of social justice to all. This institution would not have come into existence, but for his timely help and vision.
